EXPERIENCE

OWNER | LAZARDESIGNS **02/2020 - Current**
- Built a freelance, creative design business, completing **over 20** projects
- Design album covers, posters, mock-ups, and logos for clients
- Design covers for podcasts and musical artists
- Explore with different software and mediums (Photoshop, Illustrator, Blender, and InDesign) when collaborating with clients and understanding their needs

PERFORMANCE MARKETING & CREATIVE INTERN | WINONA | BYWINONA.COM **05/2026 – 08/2026**
- Analyze paid media performance across campaigns supported by **$2M+** in monthly ad spend to identify winning creative patterns and develop new ad concepts focused on engagement and conversion
- Create and optimize static and video advertisements using campaign performance insights to inform creative decisions
- Manage the sourcing, hiring, and creative direction of influencers for user-generated content campaigns
- Collaborate with the performance marketing team to test creative concepts across multiple channels and improve return on ad spend

DESIGN INTERN | WINONA **07/2024 – 08/2025**
- Created and released marketing campaigns from the ground up: market analysis, campaign briefs, copywriting, static and video creative, landing page creation
- Applied effective Call To Action techniques and branding strategies to enhance social media engagement and traffic to targeted platforms by **10%**
- Utilized Figma to design ad layouts that showed consistency and efficiency in the creative process
- Organized design assets for easy access to reuse across multiple campaigns and teams

SOCIAL MEDIA MANAGER | KILLTWOBIRDS PROJECT **08/2023 - 03/2024**
- Designed posters for the killtwobirds movie trailer
- Managed the social media account by designing and scheduling teaser images and videos released over multiple weeks
- Won Best Trailer Category in **27 film festivals** around the world (Cannes World Film Festival, SoCal Film Awards)
